FOR IMMEDIATE RELEASE

Dan McCarthy
Anton Kern Gallery
April 26 – May 26, 2001

In his first one person show at Anton Kern Gallery, Dan McCarthy is presenting recent paintings and drawings.

Made simply with oil and enamel, almost suggesting gouache and watercolor, and vibrant in the appearance.

These paintings are figurative, bizarrely abstract. They are as violent as they are caring to the subject matter as well as to the medium.

The exhibition will run through May 26, 2001.

Gallery opening hours are Tuesday through Saturday from 10am to 6pm.

For further information please contact the gallery at 212-965 1706.

Opening May 31 will be John Bock. This will be the last show at our SoHo location and will be on view until the end of July.
